

PHILIPS

Value LED Downlight

Halo Range

Quality lighting for a cosy home

Philips Value LED Downlight – Halo Range

Bring a glow to your home with Philips Value LED downlights. The range is dimmable* so you can create the right ambiance for your mood, while a unique glow ring provides a night light “Halo” feature. Choose from round or square shapes in cool or warm white for the whole home.

* Dimmable with selected wall dimmers.

Highlights

Premium quality

Die-casted aluminium for a premium finish.

Integrated LED light source

With integrated LEDs, you won't have to worry about lamp replacement. Integrated LED modules are designed as part of a complete system.

Energy saving

Up to 80% energy saving compared to standard incandescent technology with similar light output.

Advanced LED lighting

- Adjustable light intensity with dimmer compatibility* and night light feature.
- Anti-glare diffuser.
- Ideal for creating an ambience for any occasion, whether a cosy meal or chilling out with family and friends in your living room.

Long lifetime

LED solution with a lifetime of up to 20,000 hours**.

* Dimmable with selected wall dimmers. Please see website for more details.

** Based on average lifetime in residential use
