

The WD 3 Premium multi-purpose vacuum cleaner is as powerful as a 1400-watt vacuum cleaner, with a power consumption of only 1000 watts. It features an impact-resistant 17-litre stainless steel container and a cartridge filter for vacuuming dry and wet dirt without changing the filter. Thanks to the newly developed suction hose and the innovative clip-on floor nozzle with 2 rubber & 2 brush strips, the multi-purpose vacuum cleaner consistently and immaculately removes all types of dirt. Thanks to the removable handle, accessories can be directly attached to the suction hose. The practical parking position allows convenient intermediate parking of the suction pipe and floor nozzle during work breaks. Blowing function, 'Pull & Push' locking system, ergonomic carrying handle, as well as practical cable and accessory storage complete the equipment package of the WD 3 Premium. These machines are available from DIY stores and come with a two year domestic warranty.

## WD 3 Premium

- Newly developed accessories for perfect cleaning results
- Practical blowing function
- Stainless steel container
