

# PREMIUM WHITEBOARDS

## FOR EDUCATIONAL DISPLAY + VISUAL COMMUNICATION

Whiteboards allow thoughts and learnings, be it a picture, or a display of information where others can see them, process and further build upon. When everyone is sharing information together, they are communicating and learning together, increasing productivity and engagement.

VISION Premium Whiteboards are a high quality porcelain on steel whiteboard with ultra smooth surface and high durability that makes them perfect for hard-working environments such as classrooms, training facilities, and offices.
