Two Year Warranty

Your DAMPCHASER® cupboard heater is guaranteed to be free from defects in materials and workmanship for a period of two years from the date of original purchase provided it has been operated and installed in accordance with the manufacturer's instructions.

The manufacturer will repair or replace free of charge any defective part. This guarantee is void if the Dampchaser® or its component parts are modified, tampered with, or damaged through accident, negligence, alteration, or misapplication.

The associated costs of removal and replacement of this product are not covered by this warranty.

In the unlikely event this product needs repair or replacement; please return it from whom it was purchased or to your local authorized agent. Please retain your purchase receipt for proof of purchase when making a claim under the terms of this warranty. You may also have other statutory rights.
